ALABAMA STATE UNIVERSITY

Dr. Albert E. Russell

Dr. Albert E. Russell is currently the Assistant Provost for Academic Programs and Student Matters at Tuskegee University where he has served for the last two-and-a-half years. Prior to that, he served as Department Chair of Chemistry from 2012-2022. In total, Dr. Russell has 19 years of experience in academia in both administrative and teaching spaces. He began teaching at Tuskegee in 2005 and has taught a diverse array of courses ranging from General Chemistry, Organic Chemistry, graduate chemistry courses, as well as undergraduate labs. He has a B.S. in Chemistry from Alabama State University and a Ph.D. in organic/organometallic chemistry from The University of North Carolina at Chapel Hill. He also completed a postdoctoral research appointment at the University of Maryland, College Park. His research interests include small molecule chemotherapeutics and natural pesticides. He has authored five books, one lab manual, and multiple peer-reviewed publications. While teaching is his passion, mentoring and motivating students are also high priorities. He has dedicated his career to being accessible and available to students. In addition to offering guidance, advice, and life skills that encourage them to be lifelong learners, he also encourages students to engage with and understand the curvature of the academic landscape.

About the Honors Convocation

The annual University Honors Convocation recognizes regularly admitted undergraduate students who have demonstrated outstanding achievement in their academic pursuits. In general, students must have completed at least 15 semester hours of core courses at Alabama State University with a cumulative grade point average of 3.0 or better to qualify for recognition. Special, unclassified and graduate students are not recognized at today's occasion. This does not mean that their achievements are any less important than those noted here.

GEORGE H. ANDREWS STUDENT OF THE YEAR AWARD

Award recipient will be announced during Convocation

The George H. Andrews Student of the Year Award was established to recognize and honor a student who exhibits the qualities of citizenship, scholarship, outstanding community service and leadership to Alabama State University and the community. The competitive award honors a student who excels inside and outside of the classroom. The recipient must be at least a sophomore, exhibit good citizenship, participate in University activities, perform volunteer work on or off campus, and meet specified scholastic criteria. The award was established and funded by George H. Andrews, a 1951 alumnus of Alabama State University, who was named Student of the Year at his graduation. The recipient will receive a trophy and a monetary award.

RECOGNITION FOR STUDENTS WITH PERFECT GRADE POINT AVERAGES

Maintaining an honors average is a noteworthy accomplishment, but maintaining a perfect grade point average is indeed an outstanding achievement. In addition to recognizing all of our honor students, we proudly honor 81 students who have maintained perfect 4.0 grade point averages during their enrollment at the University. To commemorate this occasion, each of these students will receive a large keepsake medallion that bears the image of the Jo Ann Robinson Tower and the legendary logo, Alabama State University 1867.

Lift Every Voice and Sing

Lift every voice and sing, till earth and Heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing rise, high as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

University Hymn

Alabama State, O Mother Dear,
Again we come to thee.
Our pains and sorrows we forget,
When e'er thy face we see.
O happy harbor, blessed place,
O sweet and pleasant soil,
In thee we hope, in thee we trust,
For thee we pray and toil.
Thy Sons and Daughters love thy halls,
Aglow with truth and light,
And every heart beats true to thee,
In whom there is no night.
O Alma Mater, fair and dear,
We proudly hail thy name,
Which far and near is known and loved
And crowned with glowing fame.
Thy campus flowers and shady walks
Bring thoughts of Marion Green
Before thy trials in Beulah Vale,
Which God from us did screen.
But now we stand on College Heights
Content with God's decree.
For all He does is right and good
and makes for Liberty.
