VICE PRESIDENT FOR BUSINESS AND FINANCE

March 15, 2022

Greetings Hornets:

We are excited to announce that the University is about to start the process of the disbursements of the spring allotment of funds from the American Rescue Plan Act Student Grants. These funds will be distributed to students enrolled at the University on **March 9, 2022**. The distribution of these grants will begin on **Monday, March 28, 2022**. These emergency grants are awarded to help to cover unexpected expenses students may have incurred due to the coronavirus pandemic.

For those ASU students who already receive their funds through BankMobile either on their Vibe Card or directly into their personal bank accounts, you do not have to do anything. Your grant will be deposited in the same manner as your previous refunds (either onto your BankMobile Vibe account or into your personal bank account.)

If you lost your BankMobile Vibe card or you have never registered with BankMobile, you will need to do the following:

- Visit [refundselection.com](http://refundselection.com)
- When you are asked for a code, click on the "Need A Code?" link.
- Follow the steps to receive your code and then enter it as directed.
- Then, follow the directions to select whether you would like your funds to be placed on a BankMobile Vibe account or directly to your personal bank account.

Once you have completed the registration process, then the University will be able to deposit your spring ARP allotment.

We hope that these grants will help to alleviate any undue financial burdens that our students encountered during the pandemic.

If you have any questions or to receive assistance, please forward an email to [Amerianrescueplan@alasu.edu](mailto:Amerianrescueplan@alasu.edu).

Remember Stay Aware, Stay Safe and Stay Hornet Strong!

Sincerely

Bill Hopper  
Vice President for Business and Finance
